

REMARKS

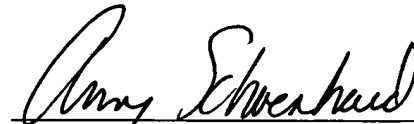

Claims 1-11 and 21-27 are pending in this application. No amendments are made to the specification or claims at this time.

Further to the remarks in the Amendment filed May 8, 2006, Applicant encloses a Terminal Disclaimer over U.S. Patent No. 6,699,485. Included in attached check number 445974 is the amount of \$130.00 for payment of the required fee. Thus, Applicant respectfully requests withdrawal of the rejection of claims 1-10, 21-22 and 24 on the ground of non-statutory obviousness type double patenting over claims 1-3 and 15-19 of U.S. Patent No. 6,699,485.

Thus, in view of the above in conjunction with Applicant's May 8, 2006 Amendment, it is submitted that this application is in condition for allowance and such action is earnestly solicited. If the Examiner believes that anything further is desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact Applicant's undersigned representative at the telephone number listed below to schedule a personal or telephone interview to discuss any remaining issues.

In the event that this paper is not timely filed, Applicant hereby petitions for an appropriate extension of time. The fees for this extension, together with any additional fees that may be due with respect to this paper are hereby authorized to be charged to Deposit Account No. 01-2300, referencing docket number **108910-00118**.

Respectfully submitted,

Amy E.L. Schoenhard
